Dear Sir/Madam

I write to thank you for your efforts as part of the Policing Operation for the G8 World Leaders Summit at Gleneagles Hotel, Perthshire.

It was a remarkable experience that has been brought to a successful conclusion without the security of the venue having been breached or threatened in any way.

Your companies' skill and professionalism contributed to the success and smooth running of the policing operation and were very much appreciated.

Please pass on my thanks to your team, whom I know worked so hard to make sure that the Operational Order for the Event was printed to such a high standard and on time. It was especially pleasing to be able to work with a local company on this important part of the policing operation.

You have every reason to feel proud of the contribution that HB Rutherford and Company made to the successful policing of the G8 Summit.

Yours faithfully

Chief Constable
